LADRILHOS

SOLUÇÃO MODULAR

Normalmente fabricados em Nylon com 50x50cm, permite realizar diversas combinações de cores, texturas e padrões.

Os Ladrilhos têm inúmeras vantagens. São versáteis, fáceis de manter e podem ser colocados em qualquer lugar, dando-lhe maior flexibilidade em termos de escolha.

É aconselhado para espaços com uma elevada probabilidade de danos, manchas e desgaste, uma vez que podem ser trocados para equalizar o desgaste ou ser substituídos individualmente se estiverem danificados.
