ms designed to last

Somos uma empresa familiar com 45 anos de experiência.

Temos como principal objetivo fornecer produtos de qualidade na atividade de design, desenvolvimento e produção de cadeiras, bancos e mesas, procurando a satisfação e superação das expectativas dos clientes, estabelecendo mecanismos de interação com as partes interessadas com base no conhecimento das suas necessidades e expectativas.

Focados no B2B, temos produção autônoma em metal, madeira e estofó.

We are a family business with 45 years of experience.

Our primary objective is to provide high-quality products in design, development, and production of chairs, stools, and tables. We strive to meet and exceed clients expectations by establishing mechanisms of interaction with the interested parts, based on understanding their needs and expectations.

Focused on B2B, we have autonomous production in metal, wood, and upholstery.

Qualidade e sustentabilidade

Quality and sustainability

A ms designed to last é certificada pela TÜV Rheinland no sistema de gestão ISO 9001:2015. Esta certificação reflete o nosso compromisso com a qualidade, a excelência operacional e a satisfação dos nossos clientes.

Ao implementar as melhores práticas de gestão de qualidade, garantimos que os nossos processos atendam aos mais altos padrões internacionais, consolidando a nossa posição como referência nacional no setor de fabrico de cadeiras e mesas. Para nós, a qualidade não é apenas um objetivo, mas um valor essencial em tudo o que fazemos.

Essa conquista reforça a confiança dos nossos clientes nos nossos produtos. Juntos, continuaremos a inovar e a oferecer soluções que combinam design, funcionalidade e sustentabilidade.

Ms designed to last is certified by TÜV Rheinland in the ISO 9001:2015 management system. This certification reflects our commitment to quality, operational excellence and customer satisfaction.

By implementing the best practices in quality management, we ensure that our processes meet the highest international standards, consolidating our position as a national reference in the chair and table manufacturing sector. For us, quality is not just a goal but a core value in everything we do.

This achievement reinforces our customers trust in our products. Together, we will continue to innovate and deliver solutions that combine design, functionality and sustainability.

design by
**Christophe
de Sousa**

Franco-Portuguese designer
Christophe de Sousa was
born in France in 1979.

Exposure to cultural diversity
shaped and influenced his
vision, created a basis for his
approach to design.

In 2017, he founded his own
studio in Porto. Passionate
about the creation process
and obstinate about form/
function, he is a born
observer, who finds in details
his greatest allies in the
search of perfection.
