

www.slippers4hotel.com

SLIPPERS4HOTEL é uma marca inovadora, criada para marcar a diferença no fornecimento de chinelos.

Acima de tudo, pretendemos a satisfação dos nossos clientes, pelo que temos grande preocupação com a qualidade dos nossos produtos e serviços.

Com unidades de produção na Europa e Ásia, conseguimos proporcionar os melhores preços sempre com um acompanhamento “in loco” das produções por elementos da nossa empresa.

Conheça a nossa linha de produtos onde poderá encontrar tudo aquilo que precisa, com uma variada gama de Slippers, tudo personalizável ao seu gosto.

-

SLIPPERS4HOTEL is a innovating and promising company, created to make the difference in the Hotel industry, being able to supply high quality products at very competitive prices.

Above all, we want our clients satisfaction, therefore we have great concern with the quality of our products and services.

With production both in Europe and Asia, we have the most competitive prices always with production overview “in loco” by our company people.

Take a look at our products where you can find everything that you need to satisfy your needs with a wide range of Slippers, all personalized to your requirements.

4 your COMFORT

A nossa gama é muito variada e estamos certos que, dentro da sua preferência, temos o ideal para satisfazer as suas necessidades.

Podemos personalizar o chinelo com o seu logótipo exclusivo e fazer chinelos de acordo com suas necessidades e especificações, incluindo o tipo de tecido, a cor, tamanho, sola e todo o detalhe que considere de relevância alterar.

Já com uma vasta experiência, damos muita importância à qualidade e estilo do chinelo e dedicamo-nos a proporcionar o melhor serviço aos nossos clientes.

Esperamos, sinceramente, continuar a construir relações comerciais com os clientes em todo o mundo.

Our slippers include a wide range offer and for every foot in need of attention we have a solution.

We can add your unique logo onto the slipper, and we can make hotel slipper according to your requirement, including the type of fabric, color, size, sole and every detail you may find relevant to change.

With already a wide experience, we give much importance to the quality and style of the slipper, and we dedicate ourselves to provide the best quality service to our clients.

We sincerely hope to continue building business relations with clients all over the world.
